# KX-FT903ML

Ideal Communication System for Home or Office.

Compact, Convenient and Easy to Use

## Automatic Paper Cutter

Documents that are received or copied will be automatically cut and stacked.

## Out-of-Paper Reception\*2

The unit can store up to 20 pages in its built-in memory when the unit has run out of paper. This feature can be utilized for broadcasting.

## Caller ID\*1 Ready

With caller ID compatibility, you can view the name or number of your incoming callers on the LCD screen before you answer the call. You can edit and store the caller ID memory, and even print the list for your records.

### Advanced Features

#### Sequential broadcasting (10 Locations)

If you're sending the same fax to multiple locations, you can program the unit to do so automatically. Documents are stored in memory and faxed in succession to each of the locations you program.

#### Directory Dialing

The KX-FT903ML has 100 phone directory entries to program the names and phone numbers for quick recall and dialing. In addition, the unit has 22 one-touch dialing stations with upper/lower key.

#### 64-Level Halftone with Digital Image Processing

You can send or copy everything from family photos to company documents in almost their original beauty, with the clarity and detail of 64 level halftone reproduction.

#### Navigator Key for Easy Operation

The navigator key assists you in storing caller names and phone numbers. This key lets you control the system features and operating modes, as well as caller ID memory.

#### Dial Lock Function

You can lock the dial function to prevent from unauthorized phone call on your fax. The programmed emergency number can be still dialed when the dial lock is activated.

### Other Features

- Document feeder (10 pages)
- Delayed transmission
- Help function
- Polling function
- Copier function
- Handy usage reports
- Resolution: standard/fine/super fine/photo
- One-touch tone switching
- Handset mute
- Monitor speaker for on-hook dialing
- Pause control
- Timed flash memory
- 16-Character LCD readout
- Electronic volume control
- External telephone jack
