KX-FT908ML

Ideal for Home or Office
Answers Every Call,
Records Messages,
and Receives Faxes.

Fully Digital Answering System

The KX-FT908ML answers all your calls, records messages and receives faxes while you are away. The digital system makes operation virtually silent and instantaneous.

Digital Duplex Speakerphone

Digital compression technology helps to reduce annoying echo, drop-out or clipping. You can enjoy clear, natural two-way conversations on the digital speakerphone.

Caller ID*² Ready

With caller ID compatibility, you can view the name or number of your incoming callers on the LCD screen before you answer the call. You can edit and store the caller ID memory, and even print the list for your records.

Advanced Features

Out-of Paper Reception*¹ and Broadcasting

The unit can store up to 20 pages in its built-in memory when the unit has run out of paper. This feature is also ideal for broadcasting multi-page documents to multiple locations.

Automatic Paper Cutter

Documents that are received or copied will be automatically cut and stacked.

Convenient Voice Prompts

The KX-FT908ML system tells many important messages to your callers. In addition, each recorded incoming message is automatically accompanied by a time and day announcement.

Navigator Key for Easy Operation

The navigator key lets you easily control the volume and ringer level, as well as the phone directory, caller ID memory, and other advanced functions.

Dial Lock Function

You can lock the dial function to prevent from unauthorized phone call on your fax. The programmed emergency number can be still dialed when the dial lock is activated.

Other Features

- 64-level halftone
- Document feeder (10 pages)
